Costa Rican Women Seek Vote

Special Cable to THE NEW YORK TIMES

SAN JOSE, Costa Rica, March 5.

—Local women's organizations will ask the next session of Congress for the vote, according to plans now being completed. Their request contemplates a trial vote, as they are asking for the franchise only for professors, teachers, bachelors of art, lawyers, graduate pharmacists and those with a high school education. The project is reported to have the sympathy of a number of Congressmen.
